Service Starts			
10:00a	4:22	Unstoppable God [Song leader name] Leads *We always denote who is leading the song. Typically we will have 2-3 people lead songs in a given service *It's good to include as much information as possible in this section for your team.	
10:04:22a	0:10	Welcome/Introduction - (Worship Leader) This happens between the first two songs. These songs' click tracks are linked, so timing is important.	
10:04:32a	4:00	This Is Amazing Grace [Song Leader] Lead *Unstoppable God & This Is Amazing Grace click tracks will be links and flow from one song to the next seamlessly	
WELCOME/ANNOUNCEMENTS			
10:08:32a	3:00	Welcome / Connect Cards / Announcements - Campus Pastor BUMPER MUSIC IN A *This was an upbeat bumper that faded in right as the song faded out - we have bumpers in every key * We add these bumper music files to the appropriate slide in ProPresenter, so as soon as we hit the campus pastor title slide, the music starts playing ***Welcome to Newhope Church! 30 second mingle time (people greet one another) ***Everyone find their seat and grab a connect card (our version of a bulletin) ANNOUNCEMENTS: 1. We have a newsletter - if you want to receive updates, please mark your connect card 2. Outreach event happening after service today - everyone encouraged to participate! 3. Capitol Campaign update	
10:11:32a	0:30	TITHES & OFFERING SWITCH TO PADS in A * Pads were attached to the offering slide in ProPresenter so the transition was smooth and right on time. We use the same Pads you can buy at Worship Tutorials Campus Pastor sets up and prays over offering	

05/22 10:00A	Length in mins		Notes
10:12:02a	2:30	VIDEO: Ark Orphanage ** "While the offering basket passes by you, check out what is happening with our tithes and offerings through our Kenya campus" We produced a video for this service featuring a mission outreach in Kenya that our church (and our Kenya campus) is supporting. This speaks directly to our vision.	
WORSHIP MOMENT			
10:14:32a	4:30	Jesus We Love You [song leader] invites people to stand and worship We will start with the chorus (no click track). As soon as we sing the chorus, start the click.

MESSAGE			
10:19:32a	1:00	Message Series Bumper Video At the campus where I was leading in this example, we stream the message live from our broadcast campus. This is where we began the stream.	
10:20:32a	40:00	MESSAGE - Teaching Pastor * Any important details about the message included here. * I always appreciate when the teaching pastor will fill in details about how he/she will transition out of the message and back into worship. We will often begin playing Pads in the same key as the response song toward the end of the message.	
RESPONSE MOMENT			
11:00:32a	3:00	VIDEO: I Have Decided To Follow Jesus Song Story Band on stage during this video	
11:03:32a	2:30	I Have Decided To Follow Jesus [Traditional] [Song leader] leads * No click track - free flowing * We try to include a hymn in every single service	
11:06:02a	0:45	Spiritual Direction - Worship Leader PADS in A from ProPresenter * PLAN OUT SPIRITUAL DIRECTIONS * For this particular example, I spoke about my 3 year old son, and how when he is afraid he will run to me or his mom, and his fear melts away. I illustrated Matt. 7:11 - speaking about the Father's love for us - his children. I drove home the point that we are adopted as sons and daughters of God, and because of that, we need not fear!	
11:06:47a	5:00	No Longer Slaves [Song leader] leads We will start with the chorus (no click track). As soon as we sing the chorus, start the click.
